Where We Work and When:

Most of our work falls between 8:00 am and 5:00 pm, Monday through Friday in the Lexington Area. We don't schedule work on weekends. While we work hard to complete jobs on time and serve our clients with excellence, we also care about having a good work-life balance.

Our Team:

Our craftsmen love the fast paced, collaborative work environment, where each person has both the autonomy to run their jobs and administrative support to complete their work. If you're someone who enjoys having fun while tackling new and stimulating challenges each day. If you enjoy building things, helping people and take great pride in your craftsmanship. Right Angle might be your ideal workplace for you. We praise going the extra mile and reward efficient production of quality work, while keeping office politics to a minimum. Our happiest and most successful team members are those who are selfless, treat their colleagues and clients like family, and believe in the power of teamwork and cooperation to achieve the best results for everyone.

Responsibilities:

Responsibilities include selling, designing, estimating and completing mid to large-sized home repairs, remodels, and additions. You will ensure quality work is completed on time and within budget to the satisfaction of the client. We will provide you with an apprentice to help you with the expectation you will lead, train and develop them. We will provide you with project leads and limit your active project to 1 or 2 so you can be focused and efficient without getting burned out. Projects involve collaboration with sales and design teams, estimating costs, managing timelines, performing and overseeing construction. Delivering excellence to the marketplace by sourcing the best materials, utilizing best practices and genuinely caring for our clients.

Requirements:

- 5+ years of hands-on experience in carpentry, electrical, or plumbing - excelling in at least one of these three trades and basic knowledge in the others.
- Own all applicable tools
- Have a valid driver's license

Other Requirements:

- Be willing to work all year round, in all weather conditions.
- Must be capable of working on a ladder and lifting heavy tools/materials.
- Must pass a background check.
- Must wear our uniform shirts (they are provided).
- Must be able to use technology and systems for all business operations and customer communication.
- Must be timely and punctual.

Career Opportunities:

Master Craftsman - Level 3: \$80,000 - \$100,000

Craftsman - Level 2: \$70,000 - \$80,000

Lead Carpenter - Level 1: \$60,000 - \$70,000

Note: Each new employee begins at the Lead Carpenter level.
